

23L VINTNER'S SELECT SERIES 100% VARIETAL

In a class of their own, the Vintner's Cellar Select Series only uses the purest juices from specific regions around the world, producing what will be an award winning vintage. This selection of varietal grape juices set the benchmark in quality and can be considered as the apex in the community of wine makers. Rich, robust and full bodied wines are sure to leave your taste buds longing for just one more sip. With expectations of perfection, these highly structured wines will provide long lasting flavours and aromatic bouquets that will enhance any ambiance. Commitment to aging will be an investment well rewarded.
