

GRAPE SKINS COLLECTION

These carefully selected juices and juice varietals have been paired up with the highest quality of unspent grape skins producing wines of unmeasurable quality. Choosing from an exquisite variety of beautifully selected grape juices, each type is accompanied by 4 kilograms of perfectly picked grapes which boasts an intense level of character and freshness. In raising the standards of EXCELLENCE, this collection of deeply coloured and complex aromatic wines will be the showcase and treasure of any vintner's wine cellar.
